SEASONAL RECIPE

Caprese Summer Salad

Whether you're looking to impress your friends, or enjoy an easy, healthy and sophisticated treat, the perfect answer to your quest is a Caprese Salad.

Start by slicing your tomatoes into 1/4 inch thick slices. Arrange the tomato slices on a plate so they overlap. Slice your fresh mozzarella so the slices are the same thickness as the tomatoes.

Place a mozzarella slice in between the tomato slices and continue until there is a slice of cheese between every tomato slice. Top each piece of mozzarella with leaves of fresh basil. Then gently drizzle olive oil over the entire plate. Sprinkle the top with salt and pepper and you've got a beautiful, sophisticated summer delicacy.
