GROVE CITY HIGHLIGHT

The Grove City Division of Police, City of Grove City and Grove City Area Chamber of Commerce invite you to Coffee with a Cop. Join Chief Rick Butsko and officers for a unique opportunity to ask questions and learn more about the division's work serving the Grove City community. The program expands the division's outreach to citizens continuing the Grove City community policing philosophy. There is no agenda, just a casual opportunity to ask questions and share ideas over morning coffee. Coffee with a Cop is a national initiative designed to advance the practice of community policing and strengthen relationships between police officers and the community.

Recipe Courtesy of Good Housing

Ingredients:

- 3 red peppers, cut into 1-inch chunks
- 3 cloves garlic, thinly sliced
- 2 tbsp. olive oil
- 1 lb. linguine
- 3 tbsp. fresh lemon juice
- 1/3 c. heavy cream
- 1/4 c. finely grated Parmesan cheese
- 1/2 c. small basil leaves
- Kosher salt
- Pepper

Instructions:

1. Heat oven to 425°F. On large rimmed baking sheet, toss red peppers and garlic with oil and 1/4 tsp each salt and pepper; arrange in even layer. Roast until peppers are tender, 25 to 30 minutes.
2. While vegetables are roasting, cook pasta per package directions. Reserve 1/2 cup cooking water; drain pasta and return to pot. Toss with 3 Tbsp fresh lemon juice.
3. When vegetables are done, transfer to blender, add cream and Parmesan and puree until smooth.
4. Reheat pepper sauce if necessary. Toss pasta with sauce to coat, adding some reserved pasta water as necessary, then fold in basil. Serve sprinkled with additional Parmesan if desired.

THUMBPRINT HEART MASON JARS

Supplies you will need:

- Ball Quart Size Regular Mouth Mason Jar
- Ball Pint Size Regular Mouth Mason Jar
- Americana Snow Titanium White Acrylic Paint
- FolkArt Bright Baby Pink Acrylic Paint
- 80 Grit Sandpaper
- Paint Brush
- Clear Coat Sealant

Directions:

1. Paint jars in two coats of acrylic paint. Let dry overnight in between coats. (Optional) Distress with 80 grit sandpaper once dry completely (again, let dry overnight for best results).
2. Using your finger (we used our pinky but kids should use their thumbs), dip in paint and add finger print to jar.
3. Dip in paint again, and add second finger print to jar to create heart shape.
4. On the smaller jars, use thumb to create larger center heart. Once dry, create second inner heart with pinky.
5. The final step is to use a clear top coat to seal the jars.
